Crooked River Building Supply is a full-service distributor of custom wood moldings ranging from simple designs to more intricate patterns like custom curve capabilities. With years of experience behind us, we are well versed in the quality, grading and types of hardwood that will accentuate any molding design.

With years of direct residential and commercial building experience, we do not only recognize the individual needs of Architects, Interior Designers, General Contractors and Remodelers, but are also structured to quickly and cost efficiently respond to those needs through a staff of professionally trained employees.

To meet your particular application requirements, we only select and use the highest grades of hardwood ranging from Oak, Poplar, Cherry, Maple to Birch. And when the situation warrants, we have direct and quick access to special woods, such as Walnut and Mahogany.

Our precision tooling allows us to master any shape or design to meet your exact specifications. We are even prepared to make special tooling that will translate unique concepts into an admirable finished product.

We also supply a full-line of high quality products from standard style windows and doors, to the most unique and custom styles desired. Attached is a list of products that can be purchased at our location. Stop in and visit our showroom; Crooked River Building Supply is located at 19106 Miles Road, Warrensville Heights, OH 44128. A company founded on one principle: provide quality and exceptional service at a competitive price.
